\*For some time now very few of the Link sheets are being taken from church to be read, therefore, Canon Janice and the PCC wonder if it is time for a change. It is possible to amend our subscription to have an electronic version of the Link to accompany this pew sheet (plus print out a few paper copies for those who want those). We can also have a different format of the Link which would include the daily Bible reading references. Please let Canon Janice, one of the Churchwardens or a PCC member know your thoughts.

\*Rosemary Gibson has started an e-newsletter about OSR – if you would like to be added to the circulation, please email: [rosemary.gibson@wimanx.net](mailto:rosemary.gibson@wimanx.net)

**\*We Pray for World Leaders as they prepare for COP26 in November: we pray for wisdom, empathy and compassion for the global poor, those already facing the impact of extreme weather and climate refugees. We pray for the vision, generosity and commitment to bring about change to drastically reduce carbon emissions, to safeguard habitats, maintain bio-**

diversity, create clean seas and air. We pray for Gods Spirit of truth and selflessness to change hearts that they may bring about opportunities for lasting change that will help safeguard Life on Earth.

From amongst our own fellowships, we continue to pray for those we know to be ill, suffering the frailties of age or disease, friends or family awaiting treatment or operations and those recovering from accident or illness, as well as the lonely, grieving and the anxious. May they know God's presence and peace. RIP Kathleen Doheny & Audrey Brown
