During this week we pray...

*for all people who find this time of year stressful and a cause for anxiety

*for the many tragic situations around the world, poverty, disease, natural

disasters and human catastrophes. May all those who are suffering find relief along with hope for a better future.

*for our medical services, our hospital and all who are suffering delays in diagnosis and treatment.

*for the safety of vulnerable youngsters and adults who may be in danger of exploitation
From amongst our own fellowships, we continue to pray for those we know to be ill, suffering the frailties of age or disease, friends or family awaiting treatment or operations and those recovering from accident or illness, as well as the lonely, grieving and the anxious. May they know God's presence and peace.

Don't forget.....

*On Manx Radio, Sunday at 9.30am is a half-hour programme by Judith Ley who shares inspiring stories, interesting interviews, great music and moments for quiet reflection across the Christian denominations of our island.
