During this week we pray...

*for the many tragic situations around the world, poverty, disease, natural disasters and human catastrophes. May all the suffering find relief along with hope for a better future.

*for generosity towards the Diocesan Harvest Appeal supporting UNICEF 'Give the World a Shot' appeal which aims to make Covid 19 vaccinations available to the poorest people and countries.

From amongst our own fellowships, we continue to pray for those we know to be ill, suffering the frailties of age or disease, friends or family awaiting treatment or operations and those recovering from accident or illness, as well as the lonely, grieving and the anxious. May they know God's presence and peace. RIP Kathleen Doheny, Audrey Brown & Dorothy Conway

Don't forget.....
