*Rev. Alex Brown here - as a teeny weeny new church (Pioneer, under the Church of England), we have hired the Mill Conference Centre in St. John's in September and October, to show the first series of the incredible **new Bible series "The Chosen"**.

The series is fiction, but tries to remain faithful to the Bible account of the lives of those who surrounded the life of Jesus. Events in the series often take places in the spaces the Bible leaves to our imagination. It's a brilliant opportunity to develop and grow faith. The screenings of the episodes are free and you sign up on-line afterwards there will be about an hour to talk with each other about what it made them think or feel, pray together and go home. A donation for the refreshments is all we ask each time.

If you would like to attend please sign up via the eventbrite page (included below) or talk to Canon Janice if you need help with that.

For a peek at the series here's the link to the chosen website: [The Chosen TV Series \(angelstudios.com\)](http://TheChosenTVSeries(angelstudios.com))

Here's the link to our eventbrite page: [The Chosen Season 1 Community Screenings Tickets, Multiple Dates | Eventbrite](http://TheChosenSeason1CommunityScreeningsTickets, Multiple Dates | Eventbrite) People need to book in for each week, not just one week.

*Port St Mary Beach Mission runs from 1st-7th August for children up to 17 years old, please tell you family, friends and neighbours and encourage the youngsters to go along.

During this week we pray...

*for people across our parish who are vulnerable or struggling, those suffering in body, mind or spirit, remembering those in hospital, hospice, care homes and those awaiting treatment or diagnosis.

*As Covid 19 infection rates continue to rise we hold our Island Community before God and pray for our safe- keeping as we welcome friends, family and visitors back to our shores. We pray that this may be a place of blessing and healing, that all may receive full restoration of body, mind and spirit.

*for our schools in their final week of term, thinking especially of those awaiting exam results this summer and those students moving schools or going on to further education.

*We hold in prayer those standing as Commissioners, and those seeking election as MHK's for our Island Community. We pray for their commitment, vision and integrity and we pray for ourselves, the electorate, that we may be diligent in the weeks ahead in seeking to find out what the candidates truly represent and what will be their priorities if elected.

From amongst our own fellowships, we continue to pray for those we know to be ill, suffering the frailties of age or disease, friends or family awaiting treatment or operations and those recovering from accident or illness, as well as the lonely, grieving and the anxious. May they know God's presence.

RIP Janet White & Barbara Short

Don't forget.....

*Vaccines - we all appreciate the hope for a better future with the control of the corona virus thanks to the roll out of the vaccines, given to us through our NHS. We have been invited to donate to UNICEF to help their ambitious scheme to deliver two billion Covid-19 vaccines to health workers and the most high-risk people on our planet.

Please follow the website link <https://www.unicef.org.uk/donate/coronavirus>.

*Manx Radio this Sunday at 9.30am is a half-hour programme by Judith Ley. Judith shows that Christian churches of all denominations on the Isle of Man are alive and well and doing great things! Join her for inspiring stories, interesting interviews, great music and moments for quiet reflection.
