This week we pray for...

* people in our parish who are vulnerable or struggling, especially those concerned about the cost-of-living crisis, we pray too for vulnerable local businesses at this time of rising costs.

*Revd Dr Michael Brydon, newly licensed to St Matthew's Church Douglas alongside his role as the Bishop's Chaplain.

*the ill, either at home, in hospital, hospice or nursing homes, that they will receive the care and support they need.

*the people in places of war, suppression and disaster. We pray for those persecuted for their faith and those who are experiencing abuse and injustice. So many people in so many places are facing social unrest and political upheaval, may God grant them relief from their suffering and hope for the future.

*environmental action to safeguard the planet and its resources, and for our Parish Environmental Action Team as they consider how we can respond locally.

From amongst our own fellowships, we continue to pray for those we know who need God's healing and restorative grace. May they know Christ's peace. We ask God to comfort the bereaved.

*On Manx Radio, Sunday at 9.30am 'Praise' is a half-hour programme by Judith Ley who shares inspiring stories, interesting interviews, great music and moments for quiet reflection across the Christian denominations of our island.
