This week we pray for...

*On this Remembrance Sunday, all the fallen, injured, and grieving all wars.

We hold before God the conflicts of today across the world where there is terror, fear, destruction, hopelessness and loss, we remember particularly the people of Ukraine and we pray for innocent civilians whose lives and dreams are destroyed as a result of man's inhumanity to man.

*those in our communities who are vulnerable or struggling: the elderly; the isolated and lonely; single parents; those who are ill, depressed, stressed or anxious; people facing financial pressures; those grieving the loss of a loved one. We pray that they may know God's presence with them and be comforted.

*people ill at home, in hospital, hospice or nursing homes, that they will receive the care & support they need, particularly for those on long waiting lists for treatment & diagnosis.

*the IOM Foodbank at this time of increased need of its services. We give thanks for the help they offer to people who would struggle to feed themselves and their families and we pray for continued generous donations to help them in their work.

*the World leaders, meeting for the Cop27 Summit in Egypt this week and pray for a spirit of Healing, Renewal, Unity and Peace to be upon all delegates and the Governments they represent. We pray that they may gather in a Spirit of Truth and Integrity in their desire and commitment to bring about change as we face this Global Climate Emergency.

*the millions of people across the world who suffer from war, violence, disease, hunger, natural disaster and injustice. Please God, send your transforming power into these situations. **From amongst our own fellowships, we continue to pray for those known personally to us who need God's healing and restorative grace. May they know Christ's peace.**

*On Manx Radio, Sunday at 9.30am 'Praise' is a half-hour programme by Judith Ley who shares inspiring stories, interesting interviews, great music and moments for quiet reflection across the Christian denominations of our island.
